

TRANSFER DAY – Thursday, October 20th *Name:* _____

Up to 10 homework points extra credit!

Attend Transfer Day at College of Marin! Transfer Day is a wonderful opportunity to meet with admissions representatives from over 40 colleges and universities.

It will be held on **Thursday October 20th**, in the Student Services Cafeteria, **from 10:30 am – 1:30 pm**. Visit some of the tables to learn about the many different colleges and universities, and complete an entry below for every stop you make. On the **BACK** of this paper, write about one college or university you would be interested in transferring to.

College/University #1 _____

Who was the representative at this table? (have the person sign here) _____

What majors did they offer that were of interest to you: _____

College/University #2 _____

Who was the representative at this table? (have the person sign here) _____

What majors did they offer that were of interest to you: _____

College/University #3 _____

Who was the representative at this table? (have the person sign here) _____

What majors did they offer that were of interest to you: _____

College/University #4 _____

Who was the representative at this table? (have the person sign here) _____

What majors did they offer that were of interest to you: _____

College/University #5 _____

Who was the representative at this table? (have the person sign here) _____

What majors did they offer that were of interest to you: _____

TURN OVER TO COMPLETE THIS ASSIGNMENT!

Write about ONE of the colleges/universities you learned about. Consider the following when writing your response:

- What major interested you at this school? And why?
- What type of preparation will you need to transfer?
 - Do you offer transcript evaluations?
- What special projects or research are the students and faculty working on?
- Will special projects or research be a graduation requirement for your major? If so, what are they?
- Are there opportunities for undergraduates to conduct research with faculty? Or conduct their own research?
- Do students graduate from that school with a portfolio of special accomplishments/projects?
- What are the opportunities for internships in your field of interest?
- What support services do they offer transfer students?
- How would studying at this school prepare you for a career or graduate studies?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
