Cal-GETC General Education Transfer Information for UC and CSU

The California Intersegmental General Education Transfer Curriculum (Cal-GETC) is a 34-unit general education pattern effective Fall 2025 which allows California Community College students to fulfill lower-division general education (GE) requirements for either the CSU or UC system without the need, after transfer, to take additional lower-division GE requirements.

UC TRANSFER INFORMATION

In the UC system, some majors do not accept Cal-GETC as complete fulfillment of the lower-division general education breadth. To be eligible for transfer as an **Upper-Division** transfer student to the UC system, students must complete 60 UC-transferable units with a 2.4 GPA and meet the **7-course breadth pattern** below.

"7-Course Pattern" Requirement	9 UC Campuses	
Students must complete: <ul style="list-style-type: none">• Two UC-English courses• One UC-Mathematics & Quantitative Reasoning course• Four transferable courses from the following areas:<ul style="list-style-type: none">○ Arts & Humanities○ Social & Behavioral Sciences○ Physical & Biological Sciences	UC Berkeley UC Davis UC Irvine UC Los Angeles UC Merced	UC Riverside UC San Diego UC Santa Cruz UC Santa Barbara
	*Language Other Than English (LOTE): Select UC campuses above require a LOTE course for graduation. (not for certification)	

CSU TRANSFER INFORMATION

Cal-GETC is not required for all majors in the CSU system. To be considered an **Upper-Division** transfer student, students must complete 60 CSU-transferable units with a 2.0 GPA and the "Golden Four" below. A maximum of 70 lower division units may be transferred.

"Golden Four" Requirement	23 CSU Campuses		
Areas 1A, 1B, 1C, and 2 are considered the "Golden Four" and must be completed with grades of "C" or higher. Note: high unit programs (e.g., Engineering) may not require Area 1B Critical Thinking prior to transfer.	Bakersfield CA Maritime Academy Cal Poly San Luis Obispo Cal Poly Pomona Cal Poly Humbolt Channel Islands Chico Dominguez Hills	East Bay Fresno Fullerton Long Beach Los Angeles Monterey Bay Northridge	San Bernardino San Diego San Francisco San Jose San Marcos Sonoma Stanislaus

US History, Constitution and American Ideals: All CSU campuses require a U.S. History and an American Government course for graduation. This requirement may be met prior to transfer but does not impact certification of general education.

Cal-GETC CERTIFICATION

Full Cal-GETC Certification refers to an official notification from a community college that a transfer student has completed the lower-division GE requirements for UC or CSU bachelor's degree program. **Full Certification** is given to students who have completed all areas of the GE pattern outlined on the reverse side of this document with a "C" or better. Please request Cal-GETC certification from the last community college you attend prior to transfer. Students can also meet with a counselor to apply for a **Certificate of Achievement: Cal-GETC General Education**.

CATALOG RIGHTS

Students who begin Fall 2025 must follow Cal-GETC if they are planning to complete lower-division general education prior to transfer to a UC or CSU. Students who began their academic journey prior to Fall 2025 and maintain catalog rights have the option to complete Cal-GETC or continue with the existing IGETC or CSU Breadth requirements (Prior General Education Worksheets are available online: <https://ss.marin.edu/articulation/general-education>). Please see a counselor to determine which general education pattern fits with your goals.
