Cal-GETC General Education Transfer Information for UC and CSU

The California Intersegmental General Education Transfer Curriculum (Cal-GETC) is a 34-unit general education pattern effective Fall 2025 which allows California Community College students to fulfill lower-division general education (GE) requirements for either the CSU or UC system without the need, after transfer, to take additional lower-division GE requirements.

UC TRANSFER INFORMATION

In the UC system, some majors do not accept Cal-GETC as complete fulfillment of the lower-division general education breadth. To be eligible for transfer as an **Upper-Division** transfer student to the UC system, students must complete 60 UC-transferable units with a 2.4 GPA and meet the **7-course breadth pattern** below.

"7-Course Pattern" Requirement Students must complete: - Two UC-English courses - One UC-Mathematics & Quantitative Reasoning course - Four transferable courses from the following areas: - Arts & Humanities - Social & Behavioral Sciences - Physical & Biological Sciences	9 UC Campuses UC Berkeley UC Davis* UC Irvine* UC Los Angeles UC Merced* UC Riverside* UC San Diego UC Santa Cruz* UC Santa Barbara*	 For more information on UC Transfer *Select UC campuses above offer a Transfer Admissions Guarantee (TAG) Program for CCC students. See QR code for details.
---	---	--

Language Other Than English (LOTE): Select UC campuses may require a LOTE course for graduation. See QR code for details.

CSU TRANSFER INFORMATION

Cal-GETC is not required for all majors in the CSU system. To be considered an **Upper-Division** transfer student, students must complete 60 CSU-transferable units with a 2.0 GPA and the "Golden Four" below. A maximum of 70 lower-division units may be transferred. The CSUs offer an Associates Degree for Transfer program that guarantees admission to one of the CSUs. For more on CSU Transfer, see QR code:

"Golden Four" Requirement Areas 1A, 1B, 1C, and 2 are considered the "Golden Four" and must be completed with grades of "C" or higher. Note: high unit programs (e.g., Engineering) may not require Area 1B Critical Thinking prior to transfer.	23 CSU Campuses Bakersfield Cal Poly San Luis Obispo/Cal Maritime Cal Poly Pomona Cal Poly Humboldt Channel Islands Chico Dominguez Hills East Bay Fresno Fullerton Long Beach Los Angeles Monterey Bay Northridge San Bernardino San Diego San Francisco San Jose San Marcos Sonoma Stanislaus
--	--

US History, Constitution and American Ideals: All CSU campuses require a U.S. History and an American Government course for graduation. This requirement may be met prior to transfer but does not impact admissions or certification of general education.

Cal-GETC CERTIFICATION

Cal-GETC Certification refers to an official notification from a community college that a transfer student has completed the lower-division GE requirements for UC or CSU bachelor's degree program. **Cal-GETC Certification** is given to students who have completed all areas of the GE pattern outlined on the reverse side of this document with a "C" or better. Please request Cal-GETC certification from the last community college you attend prior to transfer. Students can also meet with a counselor to apply for a **Certificate of Achievement: Cal-GETC General Education**.

CATALOG RIGHTS

Students who begin Fall 2025 must follow Cal-GETC if they are planning to complete lower-division general education prior to transferring to a UC or CSU. Students who began their academic journey prior to Fall 2025 and maintain catalog rights have the option to complete Cal-GETC or continue with the existing IGETC or CSU Breadth requirements. Use QR Code (left) to access previous versions of General Education.
